The Greatest Battle that Has Ever Been Fought.

The bombardment of all strongholds. The most wonderful victories won in all history have been gained on confidence. When we began to mobilize our forces with the BIG ENDING SALE, we had the confidence of the people of Grady county, and it is bringing to us victory never before known in the retail world. The day we planted our big siege guns the whole population of every town on the Frisco railroad from Oklahoma City to Lawton; all towns on the Rock Island from El Reno to Marlow; from Anadarko to Pauls Valley; all towns on the Santa Fe from Purcell to Chickasha. The entire army of good old Grady rallied to our cause.

Confidence in Our Big Sale All Because Our Prices are Right

This stupendous fort of Suits, Overcoats, Underwear, Shirts, Shoes, Gloves, Caps, everything worn by men and boys, is in the hands of the army of buying public, with the profound confidence that what they buy can't be duplicated for value or price.

Last Saturday and Monday Was Banner Days

When the smoke had cleared away and we had rescued the tattered forms of 20 salespeople, we found we had done the biggest two days business in our history. **Next Saturday, Dec. 11th, will Surpass All** because we are preparing a slaughter on prices never before known. The Big Ending Sale closes Wednesday, December 15th. So don't fail to come Saturday, December 11th. With confidence that you will be here, we remain,

YOURS TRULY,

WAR UPON PAIN!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Solster, Berkeley, Cal. writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment, freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new." March, 1915. At Druggists, 25c.

A STOLEN SMILE! TWO.

Perfectly Tame. To say of a man that he will make a good husband is much the same sort of a complimentary as to say of a horse that he is perfectly safe for a woman to drive.—Puck.

Doomed.

Here is a specimen of Australian frightfulness found in the advertising columns of a Melbourne paper: We refuse to supply the Kaiser with —'s Herbal Skin Ointment. Let him suffer. Even the thickest skin must feel this.—Manchester Guardian.
